Procedures for All House Quarantine for Covid-19

Rapidly respond.
Immediately remove individuals from the house who have tested positive for COVID-19.
Call the UO Corona Corps Care Team for help: 541-346-2292

Pause social gatherings.
Refrain from any social gatherings and do not allow non-residential members into the house.

Stay in a specific room.
It’s best to stay in a designated room or area away from others.
If possible, have a designated toilet and bathroom as well. Disinfect surfaces after you have been in shared common areas.

Wear a mask and practice social distancing.
If you need to leave your room, maintain a 6 feet distance from others and wear your mask.

Watch for signs/symptoms.
- Fever*
- Cough*
- Shortness of breath*
- Loss of taste or smell*
- Sore throat
- Fatigue
- Diarrhea
- Headache
- Muscle or body aches
- Congestion or runny nose
- Nausea or vomiting
*Presumptive positive symptoms

Engage with public health authorities.
Answer the call from the UO Corona Corps or Lane County Public Health (LCPH). They will provide resources and monitoring to ensure you are healthy and safe.
