Discussion Groups
Thursday, January 14 @ 10:00 am

Taking in new members is a huge part of our organizations, so why do we have a negative mentality towards recruitment and COB?

How are our new member experiences risky and in what ways do we proactively reduce that risk?

Does COB contribute to the risk of new member recruitments? What can we do about it?

How do we destigmatize mental health within the FSL community?

Can we talk about live-outs?

This session has been cancelled.

TIME CHANGE
Discussion Groups

Thursday, January 14 @ 2:00 pm

Why do we still count canned food contributions as service – are we losing sight of what service should be?

We know hazing isn't values-based, so why does it still exist in FSL?

Can we talk about live-outs?

This session has been rescheduled to 10:00 am.

Discussion Groups
Thursday, January 14 @ 4:00 pm

Being inauthentic is a risk to values-based organizations – why do we engage in recruitment practices that feel fake?

How do we represent our community through social media or public relations when something goes wrong?

How does accountability change during a global pandemic? Should it?

In what ways are membership recruitment/intake processes risky? How can we proactively reduce the risk?
