INTERNATIONAL STUDIES MINOR

Name: _________________________________ Student #: __________________

HELPFUL HINTS

• The International Studies Department encourages students to begin with INTL 101, as it is the introductory course and provides students with a solid foundation for the minor.

• While there are no specific courses that are required for the INTL Minor, we have provided a few different “tracks” that would nicely complement various majors and interests (specifically business, journalism, & pre-med). Our suggestions can be found on the back of this sheet.

• During Fall, Winter, and Spring terms, the International Studies Undergraduate advisors hold drop-in hours to discuss the best choice of courses to meet your interests, as well as your academic and career goals. The advising office is located in 304 PLC. Term advising hours are posted online at https://intldept.uoregon.edu/undergraduate/program/. If you cannot make it to advising hours, you may email the advisors at ispuga@uoregon.edu.

• If you need help when no advisors are available, you may contact the Undergraduate Coordinator via email (isp@uoregon.edu) or by phone (541.346.5051).
