September 19th, 2012

Dear Parents,

As part of the Van der Poel Community project, we are planning an outing on Saturday October 6th during which volunteer students will participate in a “potato digging” event together with children from Kodomonosono, a children’s home sponsored by the Yokohama International Women’s Club (YIWC).

Thanks to its ties with the YIWC, YIS is able to offer our students the opportunity to interact with those children and we are looking forward to taking a group of interested students.

The plan is to meet at Yokohama station at 9:00 AM outside the main entrance of the Lumine department store at the basement level of the main concourse where the JR ticket gates are located, board a Tokaido train to arrive at Chigasaki station where a bus from the home will pick us up.

If you would like to allow your child to join the outing, we would therefore be very grateful if you could fill in the consent form below and have your child return it as soon as possible **by Wednesday September 26.**

If you have any questions, please do not hesitate to contact us at school.

Yours sincerely,

Steven Hooker
