

	money to build schools and provide education for the children living in the rural areas of Cambodia	
2018	<u>Varsity Soccer:</u> It is important to keep up with, not only your academic life, but self care. Playing sports will keep you strong and healthy, will teach you how to collaborate with other and make new friendships.	Yokohama, JP
2018	<u>Yoga:</u> During times of stress it is highly important to keep in check with yourself, to make sure you do not go into over drive. Taking moments for yourself will allow you to keep calm and not procrastinate and maximise your studying time and help your memory retention.	Yokohama, JP
