Don't forget to connect to the Cobb County Public Library.

The screenshot shows the Sora app interface on a mobile device. The browser address bar at the top displays "https://soraapp.com/library/cobbcountyga". The main content area features a grid of ten book covers, including "The Night Diary", "Journey to Little Charlie", "Zombie Makers", "Yaffa and Fatima", "To the Moon!", "The World Cup", "World's Finest", "The Park", "The Negro Leagues", and "Late Bus". A sidebar on the right side of the screen is open, showing the user's profile "Ms. C" and a list of libraries. The "Cobb County School District" library is selected, and the "Cobb County Public Library System" is listed below it with a green plus icon and the text "Add a public library". A black arrow points from the text "Don't forget to connect to the Cobb County Public Library." to the "Add a public library" option in the sidebar. At the bottom of the screen, there is a navigation bar with icons for Home, Explore, Shelf, and Me. The Sora logo is visible in the bottom right corner.
