Print out question cards and decoder cards for each level

*Important Note*: The final level (Level 5) comes in two versions (Normal or Hard). Use either one, both end with the same code. The digital escape room uses the normal difficulty only.

Make copies of the recording sheet for each student or group

Print answer key to check student answers

**Digital Escape Room**

Students will receive a completion code when they have successfully broken out.
Escape Room EDU
How to Use

Escape Room for Teams:
Version 1: Place each level at different stations – Requires each team to cycle at predetermined times
Version 2: Place all levels at each station – Requires students to remain at one station

Escape Room for Individual Students:
Place levels around the room for students to answer. Students receive the completion code from teacher when all 5 levels are completed

Optional:
Hide the cards throughout the room to make the game extra challenging
Use physical boxes and locks to make the game feel more “real”

How can I see what they did based off the Google form?  
Answer: You can’t. Students must input the correct answer to move on. The completion code is used to know when they have completed it.

How long does this take to complete?  
Answer: Usually about 45 minutes, sometimes up to an hour, which can be broken into two class periods

Are electronic devices needed to complete this activity?  
Answer: No, this can be done without a device

Does this require Google Classroom?  
Answer: No, just access to the internet

How long does this take to set up?  
Answer: Hardly any time at all; just print the Question cards, Level cards and recording sheet, the Google form is already ready to use
A time machine has brought you back to World War II. Unfortunately, upon arrival you find yourself in the middle of the Battle of Berlin and you accidentally got separated from your ride home. In order to escape, you must use your knowledge of the war to find your way back to the time machine. Answer the questions at each level and be sure to record each answer. Once all four questions have been answered, use the decoder to progress to the next level. You must hurry and return back home before you remain trapped forever!
