Welcome Back!! August 17-18

Please follow the instructions below while I take attendance.

• **Warm Up** – In the chat box answer the following question...What is **SOMETHING NEW** you’d like to make, create, try, build and/or learn about this year?

• **Supplies you will need** – I recommend you have a spiral or composition notebook that you use ONLY for science. Pens, colored pencils, and highlighters are great for taking notes.
Daily Routine

• Sign in on time and start the warm up.
• You may use a digital background if you wish.
• Have pencil & paper (Science Journal) ready.
• Use mute unless speaking.
• Click the HAND icon under “Reactions” to get permission to speak.
• Be respectful in your speaking, writing, & actions.
Tips for Digital Learning...

• Try to be in a quiet space.
• Dress for school.
• Use Headphones if you have them.
• Keep video on (use a digital background if you want).

Navigating CTLs
Assignments due Friday, August 21, 2020

1. Read over the Earth Science Syllabus with your parents. Complete the Online Quiz using the link in CTLS. (Be sure to click SUBMIT when you are done!)

2. Use the link in CTLS to create a Flipgrid introductory video so I can get to know all of you! (Be sure to click SUBMIT in CTLS when you finish!)
Class Tour!!
