

Please watch the 9/11 Timeline video clip at <http://www.history.com/topics/9-11-attacks>; you may also read the information and view any of the other video clips on this website. Review the September 11, 2001 Memorial interactive timeline at <http://timeline.911memorial.org/#Timeline/2>. In order to complete the following questions, ask adults about their memories of that horrific day. You can ask family members, teachers, coaches, or neighbors. If it is too difficult for someone to talk about the events of that day, please do not question it and simply ask another adult.

Where were you when you heard about the attacks on the morning of September 11, 2001?

What were your initial thoughts? (Accident, terrorism, etc...)

How did you feel once the facts of the events were uncovered throughout that day?

How did the American citizens react in the following days and weeks to the events of September 11, 2001?

Do the reactions to the events of September 11, 2001 reveal anything about our nation?

Because of the events on September 11, 2001, what has changed in America and the world?
