

Kinder Family

Turkey Project

Dear Family,

Attached to this letter you will find a turkey that needs your help to make it past Thanksgiving. Help your turkey make it safely past Thanksgiving by disguising him or her so the farmer cannot find it.

I've seen creative turkeys in the past; *ballerina turkeys, clowns, football player turkeys, cheerleaders, and a Darth Vader turkey*. Use anything you can think of to disguise your turkey. I cannot wait to see what you choose! I will post examples on the blog. You can also google "Turkey in Disguise Project" to see examples if you choose.

Return your turkey to school by **Friday, November 20th, 2015**. We will have a special Turkey in Disguise "Show and Tell" on this day.

Be creative. Work together. AND most importantly HAVE FUN!

Mrs. Davis
