Kindergarten Family Celebration and Tradition Project

SSG1: The student will be describe American culture by explaining diverse community and family celebrations and customs.

Dear Parents,

Part of our IB Unit for the next two weeks is designed to help us learn a little bit more about our family celebrations and traditions. Each child is to choose a family celebration or tradition and create a project to share with the class. This can be a poster, drawing, diorama, or any artwork. Your child will be asked to share this project with the class and describe the family celebration or tradition. The project is due by Thursday, December 12th. Be creative and have fun!
