

# 2018 School Library Month Activity

## Create a new book jacket!

(A book jacket covers the front, spine and back of the book)

### Get started...

- Choose from the books on the table by the mill
- Write down the name of the book and your name on the clipboard.
- The new jacket must relate to the story (you can read the book) *OR* it could be an updated version of the current jacket (if you don't read the book)
- The new jacket must be able to go through the laminator so... no puffy stickers, bottled glue, jewels, or glitter. Glue sticks are okay to use.

### When it's finished...

- Turn in the new jacket with the book. Hand both items to either Mrs. Kenworthy or Mrs. McReynolds.
- We will reuse the blurb from inside the original cover and recover the whole book.
- Then we will add a sticker inside to let everyone know you created the new book jacket.
