7:15 – 9:00 p.m.		First Generation: Documentary Viewing and Discussion in Cottonwood Kim Nehls, Moderator First Generation tells the story of four high school students – an inner city athlete, a small town waitress, a Samoan warrior dancer, and the daughter of migrant field workers – who set out to break the cycle of poverty and bring hope to their families and communities by pursuing a college education. Shot over the course of three years and featuring some of our nation's top educational experts (Richard Kahlenberg, The Century Foundation; J.B. Schramm, College Summit; Dr. Bill Tierney, University of Southern California), the film explores the problem of college access faced by first generation and low-income students and how their success has major implications for the future of our nation.					

The Academic Chairpersons Conference is about more than attending presentations. All around you are hundreds of counterparts from around the country—each has challenges and experiences and information, and each can be a resource. The collaborative community of this conference is its biggest strength.

Take advantage of the below opportunities to network, meet people, and make the most of your time here!

Join a Brown Bag or Caucus Luncheon on February 7th
