

# **Universities and Scholarships in Swimming:**

## **Note ahead:**

It is always better to discuss your academic future with your councilor and your swimming plans with your coach and have your coach contact the University before applying for a swimming scholarship.

However, here is some information on scholarships in Swimming:

‘We do offer sport scholarships for swimming, although they aren’t at the same sort of level as the perceived North American scholarship model. That said, we do believe we offer a unique opportunity for student

athletes to gain a prestigious degree and continue to develop in their sport. There are times to reach to be considered for a sport scholarship, and as we can't necessarily coach everyone who might be interested in swimming here, we also have times to reach to be considered for a place in the squad. Details of the times are available on our website – please forgive me for referring you elsewhere, but we put them on our website so they can be kept up to date.'

'In terms of deadlines, everyone has to gain their place on academic merit by applying to the University in the usual way. We tend to consider sport scholarship applications once places have been confirmed, with a closing date in September, before courses start in October. This can work well for developing athletes, as it does give a longer time for them to meet our criteria.'

'Scholarships have been determined based on a combination of past or current performance, commitment, training levels, and past CIS meet rankings.

THE GENERAL CATEGORIES ARE:

1. Camp support (varies, but there is often an additional amount from 300-800 to help with that if we go away)
2. CIS \$1500
3. Additional monies at \$500 per category, based on past CIS/current seasonal performances:
  - § Top 24 (1500+500)
  - § Top 16 (1500+500+500)
  - § Top 8 (1500+500+500+500)
4. If you do not attend camp, your amount is reduced by ~ the camp support amount
5. If you perform above your current category, additional monies will be available in March/15

PLEASE ALSO NOTE RE GPA REQUIREMENTS:

If your Entry GPA from High School was less than 80%, or your UVic GPA was less than 3.0 last year, you are not able to get your money till May 1, 2014 and must achieve a GPA of 3.0 this year.

The CIS /USport results are

here <http://results.teamunify.com/cavpsc/usports2019/> but we usually produce at grid with the actual levels on it once we have time.
