College Night for Grade 11

Thanks to those who completed the survey seeking the best time and date to hold this event. In the end, the existing calendar date seemed performable, as did the evening timing.

Thursday 29th January 2015 @ 6.30pm in the MYP LGR

Students and parents from Grade 11 are cordially invited to an information session on the college and University application process.

The college timeline seems to be so rushed today. This need not be the case. Plan, but don't panic. Grade 11 is a great time to explore University and college options through websites, guidebooks, and most helpful of all—college visits. Visit colleges of various sizes and locations, the more, the better. Fill out visit cards even if you are on the mailing list; they keep track. Also, focus on doing the best you can academically, this year is **critical** to your application. Mostly, though, enjoy being in Grade 11! The future is important, but don't lose sight of your high school years—you will miss them later. And Grade 12 is going to be tough.

Parents - your son/daughter ought by now to have completed a preparation package called **UniQuest**. Please discuss this with them prior to the College Night. They ought to have involved you in the process already, but if they neglected to, then now is a good time to catch up.
