## World Universities Fair

On Monday 16th March, Concordia International School in Shanghai is hosting the World University Fair. As the name suggests, universities from around the world will be attending. This is an unparalleled opportunity to talk to university reps about everything college related and to get a feel for the whole process. See the next page for current list of Universities (from UK, USA, Canada, South Korea, Hong Kong, Australia, Switzerland...) and the venue address.

Students are encouraged to attend, with their parents if possible. I shall be there on the day, **but cannot accompany students or assist in travel arrangements to or from the event.**

## Grade 11 - Gearing Up For...

# The Junior Interview

I invited students to make appointments for their interviews before the CNY break. I am asking Grade 11 students to make an appointment to see me with their parents, at some point in the next few weeks. Please expect this meeting to take around 45 minutes to an hour. These meetings will take place during the school day and, with fore-planning, students may be excused from a lesson for this purpose. It is my intention that the majority of these meetings are concluded by mid-April (I shall be away from school from March 21st to 28th for a NEASC school accreditation in Morocco).

**Please chat to your child about a suitable time and have them make an appointment, in person, with Zoe Tang, the Counsellors' Secretary in D232.**
