

Add NIS Library to OverDrive

Install the OverDrive Media Console App

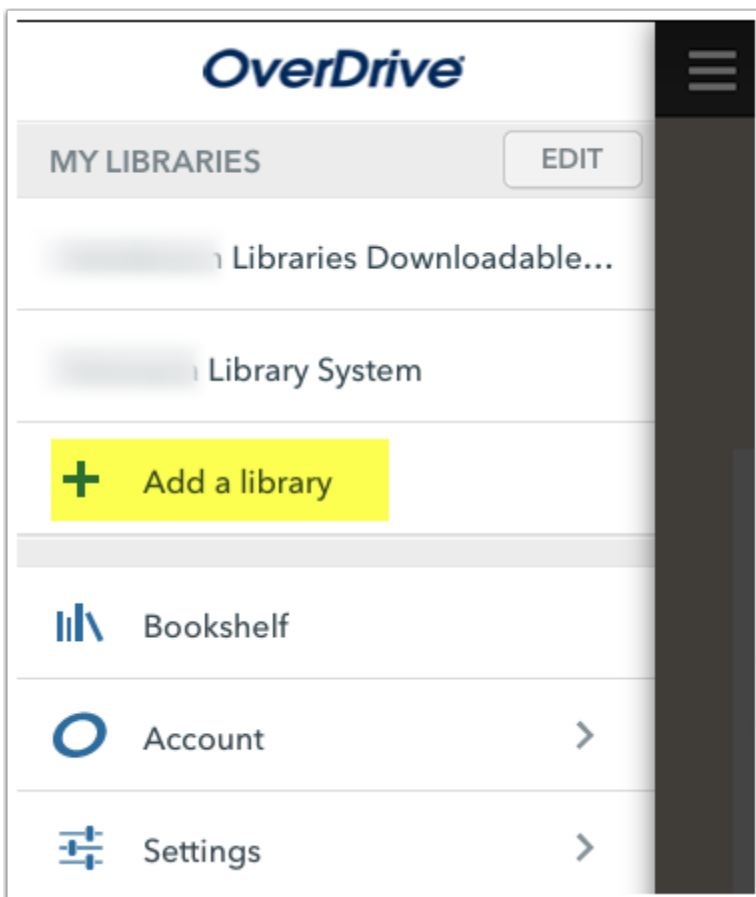

<http://omc.overdrive.com/>

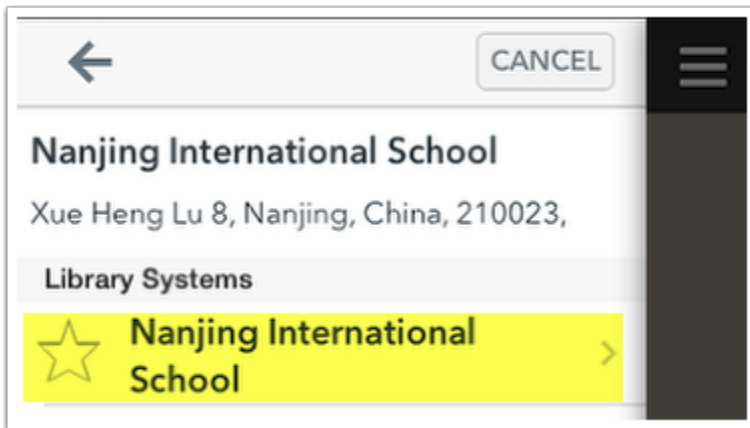

Launch the OverDrive App

Choose the three lines on top left (menu), click "Add a Library" and search for Nanjing

Choose "Nanjing International School" library

The library will be added.

At some point, you will be required to input your Adobe ID. Be sure to have this handy.

Adobe ID accounts let you read DRM protected books, such as those in Overdrive. [Accounts are free](#). You may be prompted to input your ID during the setup process. Go to [Overdrive's page on this](#) for more information.
