AWM Mentoring Program

“Students who are interested in mathematics or are pursuing careers in mathematics are matched with mentors, both men and women. The network is intended to link mentors with a variety of groups: recent PhD’s, graduate students, undergraduates, high school and grade school students, and teachers. Matching is based on common interests in careers in academics or industry, math education, balance of career and family, or general mathematical interests.”
Programming Ideas for the Term

- Self-Care Night won out on the Google Form!
  - Movie night or game night?
- Apple Picking with WiCS & SHPE
- Collab with Latinx Heritage Month & Queer Heritage Month
  - Spotlight on Womxn?
- Biweekly meetings with snacks/catered food (every other Wednesday at 7:30 PM)
- Suggestions?
AWM National Conference

- Interested in presenting your own research or watching others present their research?
  - Look out for an interest form in the winter!

AWM Research Symposium

Join AWM in Houston, Texas for the 2019 Research Symposium!

The 2019 AWM Research Symposium will be held at Rice University April 6-7, 2019. The symposium will showcase research from women across the mathematical sciences working in academia, government and industry, as well as feature women across the career spectrum: undergraduates, graduate students, postdocs, and professionals!

- Susanne C. Brenner, Louisiana State University
- Kristin Lauter, Microsoft Research
- Chelsea Walton, University of Illinois
- Mariam Manuel, University of Houston
Thank you!

- Still have questions? Ask our exec members! We will stick around for a while after the meeting!
- Have programming ideas that you didn’t get to share during the meeting? Catch an exec member after the meeting or email us!
- Want to fix a plate to go? Please go for it!
- **Next meeting: October 2nd, 2019 @ 7:30 PM**
