DARTMOUTH

Fast Facts

- We have 4,410 undergraduate students, of which 38.6% are students of color and 9.2% are international students.
- In the class of 2021, 93% graduated in the top 10% of their school.
- The vast majority of our students are fluent in at least two languages and over 64% have studied abroad.
- More than 70% of Dartmouth undergraduates enroll in at least one Engineering or Computer Science course.
- 25% of Dartmouth students are athletes.
- There are over 160 student organizations on campus which include social, professional, and academic groups.

"We love the young men and women we meet when we come recruiting at Dartmouth: Whip-smart, pro-active, and confident combined with a good sense of humor & not too proud to roll up their sleeves and get going."
- Rob Bell, Innosight

"Year over year Microsoft hires Dartmouth students from a variety of majors for both internship and full time technical roles, including Software Engineers and Program Managers. They have the opportunity to bring the skills developed through interdisciplinary coursework and activities outside of the classroom to their technical roles at Microsoft."
- Microsoft University Technical Recruiter
