How Does Scouted Work?

1. **Create your Scouted Profile:** We ask for your basic information, resume, education (GO BIG GREEN) and some other unique details so we can get to know you!
2. **Complete Virtual R1 Interview:** Complete our virtual Round 1 video interview, so our companies can get to know you beyond your resume.
3. **Opt-In to Jobs/Internships:** Pick the opportunities that interest you! We update your dashboard with new roles every week so be sure to check back often.
4. **Matching Process:** Our matching process uses a combination of our machine learning algorithm and human verification (can't let computers take over the world just yet...)
5. **Get that Job/Internship:** After about a week you'll know whether you have been invited to interview at the companies you were interested in!
