addapptation

Programming/Software Development, Graphic Design, Operations, Quality Control
Entry Level, Internship – Summer, Fall, Winter, Spring

addapptation is the world's first user experience platform for enterprise software. We completely redesign enterprise software platforms into simple, beautiful tools that increase efficiency, improve user adoption, and results in a more engaged, better performing, happier workforce. Our platform leverages the APIs of cloud based platforms like Salesforce.com to connect to existing software to help our customers maximize the ROI of their enterprise software platforms.

Advantage Capital Partners

Finance, Marketing
Entry Level, Internship – Summer, Fall, Winter, Spring

Advantage Capital is an impact investor that provides equity and debt financing to established and emerging companies located in underserved communities. Since 1992, the firm has invested more than \$2.6 billion in companies from a diverse array of industry sectors, including manufacturing, technology and business services, among others, and has offices in Hanover, New York, Austin, New Orleans, St. Louis, and other locations.

Aeris Partners

Finance
Entry Level, Internship – Summer

Aeris Partners is a rapidly growing, independent technology-focused M&A advisory firm that serves market-leading software, business information, and technology-enabled services companies spanning a range of high-growth market sectors including healthcare IT, financial technology, education software and analytical software. We work with prominent technology-focused private equity firms, venture capital firms, entrepreneur-owned companies, and publicly traded technology companies.

ALARM.com

Programming/Software Development, Engineering, Project Management, Quality Control
Entry Level, Internship – Summer

Alarm.com is the leading cloud-based platform for the smart home. Millions of home and business owners depend on our technology every day to make their properties safer, smarter, and more efficient. We make the Smart Home broadly accessible by enabling easy automation and control across a range of connected devices through our single, intuitive user interface. Alarm.com earned the Top Workplace™ award for its employee culture and the meaningful work we do every day to develop and bring to market new technology that will make millions of people safer and help them use energy more efficiently.

AlphaSights

Account Management, Consulting, Project Management, Research
Entry Level, Internship – Summer, Winter

Leading professionals around the world often find themselves in situations where they don't have the knowledge they need to confidently make decisions and move forward. That's when they turn to AlphaSights. Our people bring commercial instincts, business acumen, and a whatever-it-takes mentality to every project to truly understand our clients' unique questions and identify the precise experts who can offer valuable insights. With a better understanding of the world than they had before engaging AlphaSights, our clients accelerate their progress. AlphaSights employs 500+ professionals in nine offices around the globe and ranks as one of the fastest-growing companies.

American Enterprise Institute

Fundraising/Development, Research & Analysis, Writing & Editing
Entry Level, Internship, Academic Research – Spring, Summer, Fall

The American Enterprise Institute is a public policy think tank dedicated to defending human dignity, expanding human potential, and building a freer and safer world. AEI operates independently of any political party and has no institutional positions. Its scholars' conclusions are fueled by rigorous, data-driven research and broad-ranging evidence.

American Precision Museum

Teaching, Research & Analysis
Entry Level, Internship – Spring, Summer, Fall

The American Precision Museum preserves the heritage of the mechanical arts, celebrates the ingenuity of our mechanical forebears, and explores the effects of their work on our everyday lives. The American Precision Museum, housed in the original Robbins & Lawrence Armory, now holds the largest collection of historically significant machine tools in the nation.

American Youth Foundation: Merrowvista

Community Service, Environment, Coaching, Teaching
Entry Level, Internship – Summer

The American Youth Foundation is a nonprofit youth development organization that engages thousands of youth year round through community & school programs, summer camps, and leadership conferences at beautiful properties in New Hampshire (Merrowvista) and Michigan (Miniwanca). Since 1925, we have welcomed young people from around the world. Our mission is to inspire people to discover and develop their personal best, to seek balance in mental, physical, social and spiritual living, and to make a positive difference in their communities and in the wider world.

Appian

Software Development, Consulting, Engineering, IT
Entry Level, Internship – Summer

Appian provides a software development platform that combines intelligent automation and enterprise low-code development to rapidly deliver powerful business applications. Many of the world’s largest organizations use Appian applications to improve customer experience, achieve operational excellence, and simplify global risk and compliance.

Applied Value

Consulting
Entry Level, Internship –Summer, Fall, Winter, Spring

Applied Value offers world-class management consulting services designed to enhance the financial value of a client's enterprise. We combine the in-depth expertise of a global advisor with the focus, attention, and flexibility of a boutique consulting firm. AV is unique in the consulting world through its 3 interconnected parts--the management consulting practice, a private equity portfolio with over 20 companies, and a corporate social responsibility arm dedicated to pro bono work for nonprofits. Consultants have the opportunity to explore interests in all three pillars of the business and leave their mark.

Audax Group, Private Equity

Finance
Internship – Summer

Audax Group, founded in 1999, is a leading middle-market private equity firm with over \$13 billion in assets under management. Audax Private Equity is based both in Boston and San Francisco and has over 80 investment professionals from diverse and complementary backgrounds, including top private equity, operations, strategy consulting, management and finance. Audax Private Equity buys privately-held middle market companies with valuations ranging from \$50 million to \$300 million.

Axiom Learning

Teaching, Coaching, Education Administration
Entry Level, Internship – Summer, Fall, Spring

Axiom Learning an innovative, early stage company; a hub for smart, idealistic people transforming the future of learning by integrating science and evidence to develop the best tools to actualize each child. Our customized, 1-on-1 instruction is designed to empower students of various ages to find happiness and success in all aspects of their lives.

Bain & Company

Consulting
Entry Level, Internship – Summer

Bain & Company is the management consulting firm the world's business leaders come to when they want enduring results. Together, we find value across boundaries, develop insights to act on, and energize teams to sustain success. We're passionate about always doing the right thing for our clients, our people and our communities, even if it isn't easy.

Beacon Group

Consulting, Research & Analysis
Entry Level, Internship – Summer

The Beacon Group is a growth strategy consulting firm with a strict focus on providing our clients with actionable growth strategies and tactics. With a commitment to achieving top-line growth for our clients, our deliverables are designed to have a direct impact on their profitability. Beacon has carved a niche as a premier advisor on issues of innovation, disruption, and international, adjacent, and emerging market growth for the Fortune 500. We complement classic, commonly used growth assessments with a variety of Beacon's proprietary frameworks and methodologies to objectively assess the opportunities our clients face.

Bronx Charter School for the Arts

Consulting

Internship – Winter, Spring, Fall

Bronx Charter School for the Arts is a public elementary and middle school founded on the principle that arts education is a catalyst for the academic and social success of all students. Located in the South Bronx, we serve as a model that encourages reform and innovation in the broader public school system. Upon graduation, our students demonstrate excellence in all academic subject areas and have a unique foundation of learning and experience in the arts.

Carney, Sandoe & Associates

Teaching, Education Administration

Entry Level

Carney, Sandoe & Associates is an educational recruitment firm that places teachers and administrators in private, independent and like-kind (charter, magnet, pilot and merit) schools across the nation. We have placed over 32,000 teachers and administrators in independent schools since 1977. CS&A works to fill thousands of teaching and administrative openings at hundreds of K-12 college preparatory schools each year. Services are free for the job-seeking candidate, and teacher certification is not required in most positions open at these great schools.

Circadence

Computer Programming, Cyber Security & Risk Assessment, IT

Entry Level, Internship – Summer

With over 20 years' experience, 34 patents and a history of cutting-edge software development, Circadence solves complex customer problems using robust, industry-leading solutions. Circadence is a recognized leader in the Federal cybersecurity community. Powered by a culture of innovation, intellectual property and the demands of an evolving cyber market, Circadence uses its current cyber range solution and next generation cybersecurity training platform to address this critical national security challenge and tremendous business opportunity.

City Year

Advocacy, Community Service, Health, Teaching

Entry Level

City Year is an education focused, nonprofit organization that unites young people of all backgrounds for a year of full-time service aimed at keeping students in school and on track to graduation. Teams of trained young people called AmeriCorps members serve full-time in schools during the academic year as tutors, mentors and role models. By focusing on attendance, behavior and course performance, which identify students who are at risk of not graduating on time, AmeriCorps members are positioned to help students and schools succeed.

Cogo Labs

Design, Engineering, Analysis

Entry Level

Cogo Labs is a unique incubator, creating new businesses from our own internal experiments, and then growing them to profitability through the efforts of our top-notch engineering, analytics, and design teams. As part of the Link Ventures corporate family, we strongly believe that the key to creating long-term value is to maximize revenue growth with limited venture investment. Once a new company becomes profitable, we give them the support they need to grow very big, very quickly. It is a proprietary, repeatable process that allows us to turn great ideas into successful companies. And then do it again. And again.

Dartmouth College

Customer Service, Finance, Research, Operations

Entry Level, Internship, Academic Research, Post-Grad Internship – Summer, Fall, Winter, Spring

Founded in 1769, Dartmouth is a member of the Ivy League and consistently ranks among the world's greatest academic institutions. Dartmouth has forged a singular identity for combining its deep commitment to outstanding undergraduate liberal arts and graduate education with distinguished research and scholarship in the Arts and Sciences and its four leading graduate schools—the Geisel School of Medicine, the Guarini School of Graduate and Advanced Studies, Thayer School of Engineering, and the Tuck School of Business.

Dean & Company

Consulting

Entry Level, Internship – Summer

Dean & Company is a highly quantitative, boutique strategy consulting firm with a unique mix of both traditional business strategy development and a range of investment advisory work. We work with senior executives and use a fact-based, analytical approach to improve performance.

EF Education First

Business Development, Finance, Marketing, Operations, Project Management, Sales
Entry Level, Internship – Summer, Fall, Winter, Spring

Launch your career while making a positive difference in the world. Join our passionate entrepreneurs, fearless travelers and innovative thinkers. EF is an experiential education company on a mission to open the world through education. We help people become global citizens, by traveling to a new country, learning another language or experiencing a different culture. Each day at EF is filled with ideation, innovation and collaboration like a start-up, but with the resources and impact of a global company. Our U.S. headquarters, on the banks of the Charles River in Cambridge, features an on-site restaurant/bar, fitness studio and skyline views.

EY-Parthenon

Consulting
Entry Level, Internship - Summer

EY-Parthenon is a leading advisory organization focused on strategy consulting. We are committed to combining our unconventional thinking with our clients' smarts to deliver actionable strategies. In today's complex business landscape, creativity has become a necessary ingredient for sustained success. At EY-Parthenon, we have an ideal balance of strengths – deep and concentrated skills with broad executional capabilities, intimate client relationships with larger networks of support, and proven processes along with a progressive spirit – to unlock opportunity for our clients, amplify the impact of our strategies, and make EY-Parthenon the global advisor of choice for business leaders.

Foundation Medicine

Health Research, Engineering, Operations, Programming/Software Development
Entry Level, Internship - Summer

Foundation Medicine began with an idea—to simplify the complex nature of cancer genomics, bringing cutting-edge science and technology to everyday cancer care. Our approach generates insights that help doctors match patients to more treatment options and helps accelerate the development of new therapies. Foundation Medicine is the culmination of talented people coming together to realize an important vision, and the work we do every day impacts real lives.

FreshAir

Engineering, Quality Control, Research & Analysis, Programming/Software Development
Internship – Summer, Winter, Spring, Fall

FreshAir Sensor's mission is to "Improve Lives through Novel Sensor Technology". We use novel, patented sensor technology for the real-time detection of hazardous airborne chemicals. For example, our FAS1(TM) device helps customers prevent unauthorized smoking and creates a safer and healthier environment for residents and guests in hotels or multi-family housing. FreshAir Sensor, LLC is located in Lebanon, NH, a short distance from Dartmouth College in the Upper Valley area of New Hampshire.

Galatea & Associates

Programming/Software Development, Consulting
Entry Level

We strive to be a premier consulting organization in the service of broker/dealers, custodians, and asset managers through the development of exceptional professionals who combine technology and industry expertise.

Gartner

Business Development Operations, Information Technology, Engineering, Finance
Entry Level, Internship – Summer

Gartner, Inc. (NYSE: IT) is the world's leading research and advisory company and a member of the S&P 500. We equip business leaders with indispensable insights, advice and tools to achieve their mission-critical priorities today and build the successful organizations of tomorrow. We are a trusted advisor and an objective resource for more than 15,000 organizations in more than 100 countries — across all major functions, in every industry and enterprise size.

Goldman, Sachs & Co.

Finance, Legal, IT, Engineering
Internship – Summer

The Goldman Sachs Group, Inc. is a leading global investment banking, securities and investment management firm that provides a wide range of financial services to a substantial and diversified client base that includes corporations, financial institutions, governments and individuals. The firm is seeking candidates for the 2020 Summer Analyst Program across all divisions.

Hannon Armstrong Sustainable Real Estate

Business Development, Engineering, Environment, Finance
Entry Level, Internship – Summer, Fall, Winter, Spring

Commercial real estate sustainable finance group focused on transactions from \$100,000 to \$100 million that positively impact the environment through increased energy efficiency, resiliency (seismic and wind), or clean energy. Portfolio focused on renewable investment assets including Commercial Property Assessed Clean Energy (C-PACE), Power Purchase Agreement (PPA), and PACE PPA.

Hillstone Restaurant Group

Operations, Hospitality
Entry Level, Internship – Summer

Hillstone Restaurant Group is a privately-held collection of upscale restaurants with 45+ locations in major cities across the country. Some of our more well-known operations are Houston's, Hillstone, R+D Kitchen, Bandera, East Hampton Grill, South Beverly Grill, Honor Bar, Palm Beach Grill, and White House Tavern. To learn more, visit us at www.hillstone.com, or read this recent profile in Bon Appetit magazine: www.hillstone.com/press/bonappetit

Impact

Advocacy, Environment, Fundraising, Political Organizing
Entry Level

Our country is in desperate need right now of positive change, on the environment and many other issues. But we know that real change only happens when people are organized to take action. That's what Impact organizers do. We'll supply the training, skills and tools you need to work on critical issues for the environment, our democracy and our future. It's an experience that will pay dividends for the rest of your career. You'll make a difference right now on issues that matter, and lay the foundation for even more profound change.

Insight Venture Partners

Finance
Entry Level, Internship-Summer

Insight Venture Partners is a leading global venture capital and private equity firm investing in high-growth technology and software companies that are driving transformative change in their industries. Founded in 1995, Insight currently has over \$20 billion of assets under management and has cumulatively invested in more than 300 companies worldwide. Our mission is to find, fund, and work successfully with visionary executives, providing them with practical, hands-on growth expertise to foster long-term success. Across our people and our portfolio, we encourage a culture around a core belief: growth equals opportunity.

Johns Hopkins Applied Physics Laboratory

Programming, Engineering, Research & Analysis, Defense & Risk Management
Entry Level, Internship-Summer, Spring, Winter, Fall

Johns Hopkins Applied Physics laboratory is an applied research organization focusing on solving difficult problems for the US government. Our tasks range from space (mission control for New Horizons, the Pluto mission), to medical research (prosthetics, etc.), to cyber security. We have year-round internships and are seeking to hire problem solvers with BS, MS, or PhD for fulltime positions.

JRK Property Holdings

Account Management, Business Development Operations, Finance
Entry Level, Internship-Summer

JRK Property Holdings is a real estate investment and management firm that has amassed a commercial portfolio throughout the United States valued in excess of \$5 billion. The company's portfolio consists of over 35,000 multifamily units, luxury and flagged hotels, and over 2 million square feet of office, industrial, and storage space. JRK's time-tested ability to identify attractive investment opportunities has allowed them to deliver tremendous returns to investors and outstanding products for residents. In 2013, JRK was recognized as the 20th largest owner of apartment properties according to 2013 NMHC rankings.

Match Education

Teaching
Entry Level

Match Education is non-profit organization working to close the achievement gap through various innovations, including full-time professional tutoring and teacher training. We are widely recognized for success in preparing low-income students for success in four-year colleges.

McKinsey&Company

McKinsey & Company

Consulting, Marketing, Operations, Research & Analysis

Entry Level, Internship – Summer, Winter

McKinsey & Company is a global management consulting firm, deeply committed to helping institutions in the private, public and social sectors achieve lasting success. With consultants in more than 120 offices in over 61 countries, we bring unparalleled expertise to clients globally. We work closely with teams at all levels of an organization to shape winning strategies, mobilize for change, build capabilities and drive successful execution.

McNeil Gray and Rice Strategic Communications

Account Management, Communications, Public Relations

Entry Level, Internship – Summer, Winter, Spring, Fall

MGR Communications is one of the nation's leading strategic communications agencies. Our firm's experience covers the full range of technologies. We manage public relations programs globally for our clients. We have a strong track record of success, having represented everything from startups to Fortune 100 companies for over 25 years.

MTS Health Partners, L.P.

Finance, Health

Entry Level, Internship – Summer, Winter

MTS Health Partners is a leading boutique investment bank that provides strategic and financial advice to the global healthcare industry. Since 1999, MTS has continued to foster trusted client partnerships, creating alignment to achieve their goals. We provide our clients with creative thinking, candid advice, and commitment to results, advising them in pursuing the right strategic pathways rather than simply focusing on transactions.

Nomura

Finance

Internship – Summer, Winter

Nomura is an Asia-headquartered financial services group with an integrated global network spanning over 30 countries. By connecting markets East & West, Nomura services the needs of individuals, institutions, corporates and governments through its three business divisions: Retail, Asset Management, and Wholesale (Global Markets and Investment Banking).

Peace Corps

Community Service, Economic/Community Development Environment, Health, Teaching, Public Service

Entry Level

As the preeminent international service organization of the United States, the Peace Corps sends Americans abroad to tackle the most pressing needs of people around the world. Peace Corps Volunteers work at the grassroots level toward sustainable change that lives on long after their service—at the same time becoming global citizens and serving their country. When they return home, Volunteers bring their knowledge and experiences—and a global outlook—that enriches the lives of those around them.

PIRG CAMPUS ACTION

PIRG Campus Action

Political Organizing/Lobbying, Advocacy, Environment, Health, Public Service

Entry Level

Students have the right and the responsibility to shape the future they will inherit. Our organizers work with students at America's colleges and universities to make sure they have the skills, opportunities and training they need to create a greener, healthier and more meaningful future for all of us. Our chapters on 35 campuses provide the training, professional support and resources students need to tackle climate change, protect public health, revitalize our democracy, feed the hungry and more. For over 40 years we've helped students to get organized, mobilized and energized so they can continue to be on the cutting edge of positive change.

Pivotal Software

Programming/Software Development, Consulting, Design, Engineering, IT

Pivotal Labs is Pivotal Software's consulting team, and a recognized leader in modern software development practices. We work with many of the world's most influential companies, helping them not only build great software, but fundamentally create a culture of innovation. Our approach is informed by over 20 years of experience and continuous improvement, and blends agile/XP, lean startup and user-centered design.

Rabobank International

Finance
Entry Level, Internship – Summer

Rabobank is the financial link in the global food chain. We understand the food and agribusiness industry better than any other bank. Our vision is "Growing a Better World Together" which requires that we work with other participants in the global food chain to feed a world population of 9 billion people by 2050.

SAGA Innovations

Teaching
Entry Level

SAGA Fellows are full-time tutors who devote themselves to a service-year to build lasting relationships with students and their families. SAGA recruits highly talented college seniors dedicated to social justice and looking for a profound service experience in helping to dramatically transform the academic trajectory of students from high-need communities. SAGA Fellows commit to a ten-month program of full-time tutoring at one of our locations in an urban school district. As a SAGA Fellow, you will receive in-depth training in tutoring techniques and in managing student behavior, and you'll receive constant daily feedback to help you improve.

South Bronx Classical Charter Schools

Teaching, Coaching, Education Administration, Public Service,
Entry Level, Internship – Summer

Classical Charter Schools is a network of high-performing charter schools in the South Bronx that prepare scholars for success in high-performing college preparatory high schools through a highly structured setting and a rigorous classical curriculum that includes Character Education, Latin, and Debates. We maintain an uncompromising but purposeful structure that liberates teachers and scholars from distraction, transforming the classroom into an environment sharply focused on learning. Despite serving students typically deemed 'at-risk,' we consistently outperform over 90% of schools in both the city and state and received "A"s on our Progress Report for three straight years.

Success Academy Charter Schools

Teaching, Coaching, Education Administration
Entry Level, Internship – Summer

At Success Academy, we are redefining what's possible in public education. Since opening our first school in Harlem in 2006, we have swiftly grown to 47 high-performing schools, from Brooklyn to the Bronx, serving approximately 17,000 kids. We are scaling to 100 great schools serving 50,000 children across New York City, bringing transformational change here and across the country. We believe all children, regardless of zip code or family income, deserve the life-changing opportunities that a world-class education brings.

SVB Leerink

Finance
Entry Level, Internship-Summer

SVB Leerink is a leading investment bank, specializing in healthcare and life sciences. The firm's knowledge, experience and focus enable it to help its clients define and achieve their strategic, capital markets and investment objectives. SVB Leerink partners with companies that develop and commercialize innovative products and services that are defining the future of healthcare.

Teach For America

Teaching, Coaching, Education Administration, Event Planning, Fundraising
Entry Level, Internship, Post-Grad Internship/Fellowship – Summer, Fall, Winter, Spring

Teach For America (TFA) is a nonprofit organization whose stated mission is to "enlist, develop, and mobilize as many as possible of our nation's most promising future leaders to grow and strengthen the movement for educational equity and excellence."

Urban Teachers

Teaching, Coaching, Education Administration, Public Service
Entry Level

Urban Teachers is a four-year teacher training and certification program that works to close the achievement gap in schools by improving teacher quality and preparing a pipeline of high-performing career teachers. Educators who complete the Urban Teachers program are among the most expert and results-oriented in the nation because we provide the best teacher preparation available.

Vanguard

Finance, Account Management, Business Development/Operations
Entry Level, Internship - Summer

Vanguard is one of the world's largest investment companies, offering a large selection of low-cost mutual funds, ETFs, advice, and related services. Individual and institutional investors, financial professionals, and plan sponsors can benefit from the expertise, stability, and reliable investment approach Vanguard offers. From our beginning in 1975, Vanguard set course as a very different kind of investment firm. Our purpose remains: "To take a stand for all investors, to treat them fairly, and to give them the best chance for investment success."

Vermont Youth Conservation Corps

Counseling, Teaching, Coaching, Education Administration, Environment, Operations
Entry Level

For 35 years, VYCC has been employing Corps Members, ages 15-26, who are excited to make a difference, spend time outside and work on a small team. Corps Members complete conservation and farm projects throughout Vermont, while growing and enhancing job and leadership skills. Over 250 young people will get paid this summer and fall to be Crew Members or Crew leaders as part of our award-winning Conservation and Farm programs. There are a variety of short or long-term experiences on our crews.

Volition Capital LLC

Finance, Consulting
Entry Level, Internship – Summer, Fall, Winter, Spring

Volition Capital is a growth equity firm that principally invests in high potential, founder-owned companies across tech sectors. We specialize in partnering with founders to help them achieve their fullest aspirations. One form of partnership comes through investing capital for accelerated growth, strategic acquisitions, and shareholder liquidity. Another form comes from bringing all of our resources to bear to help our founders be successful. Our team has 75 years of collective investing experience. Much of our success comes from investing in capital efficient tech companies in enterprise SaaS, consumer e-commerce/brands, tech-enabled services, and transactional applications.

Walmart

Business Development, Buying/Purchasing, Programming, Marketing, Sales, Account Management
Entry Level

Walmart eCommerce is rapidly innovating to evolve and define the future state of shopping. With some of the brightest minds in technology, merchandising, marketing, supply chain, talent and more, we are reimagining the intersection of digital and physical shopping to help achieve that mission. Backed by the world's largest retailer, Walmart eCommerce is a growing family of brands including Walmart, Jet, Hayneedle, Moosejaw, Shoes.com, and more.

Wayfair

Buying/Purchasing, Supply Chain Management/Logistics, Programming/Software Development, IT
Entry Level, Internship – Summer

Wayfair believes everyone should live in a home they love. Through technology and innovation, Wayfair makes it possible for shoppers to quickly and easily find exactly what they want from a selection of more than 10 million items across home furnishings, décor, home improvement, housewares and more. Committed to delighting its customers every step of the way, Wayfair is reinventing the way people shop for their homes - from product discovery to final delivery.

Work for Progress

Advocacy, Political Organizing, Lobbying, Public Service, Research & Analysis, Writing & Editing
Entry Level, Post-Grad Internship– Fall, Winter, Spring, Summer

Do you want to fight global warming, get big money out of elections, and keep our air, water, and food healthy and safe? So do we. We're Work for Progress and we're hiring for nonprofit groups that tackle these issues and more.
