OPTIONS FOR ATTRACTING DARTMOUTH TALENT

• Virtual Job & Internship Fairs
  Showcase your organization and opportunities at our biggest events of the year. Speak directly with hundreds of talented candidates.

• Virtual Employer Event
  Engage in smaller and more targeted events like coffee chats or info sessions. Let us handle promotion and all logistics.

• Virtual Interviews
  Join our recruiting program and enjoy greater yield and visibility, along with the convenience of a structured timeline and process. We will promote your opportunities, collect applications, and schedule your candidates.

• Resume Drop
  Prefer to schedule interviews on your own? You can still participate in our recruiting program, take advantage of the visibility and timeline and interview candidates remotely.

• Simple Posting
  Prefer to use your own timeline? Set up a basic job or internship posting in our DartBoard system.
WHY RECRUIT DARTMOUTH TALENT?

"I am a Muslim Filipino, which is a rarity, but growing up in the Bronx, I was used to a highly diverse community. I was excited to find that Dartmouth is a very vibrant quilt. Everybody here is extraordinary in some way. There's no 'typical' to compare yourself against. Our curiosity and our humanity are what bind us. We connect to one another with open hearts."

— Lawrence Abu-Hammour '19, Bronx, NY

AS OF NOVEMBER 2020:

- 4,400+ undergraduate students, of which 38% are students of color and 10% are international students
- At Dartmouth, diversity and inclusion is the foundation of the campus environment and a core element of the learning experience.
- Vast majority of students are fluent in at least two languages with well-developed communication skills
- Dartmouth's liberal arts education provides students with strong critical thinking, team building, and real-world problem solving experiences
- You can hire Dartmouth interns year-round. Our schedule challenges students to excel in new classes every 10 weeks, preparing them to thrive in a fast-changing work environment
- Learn more about our students here

"Year over year Microsoft hires Dartmouth students from a variety of majors for both internships and full time technical roles, including Software Engineers and Program Managers. They have the opportunity to bring the skills developed through interdisciplinary coursework and activities outside of the classroom to their technical roles at Microsoft."
