

Your feedback is important to us

This form should be completed by the Placement Supervisor at the end of the student's placement. One form needs to be completed for each student completing a placement. The feedback you provide will be used to inform the student's assessment.

The student is permitted to return completed forms to their UPT. However, if you would rather feedback can be emailed or posted to Philippa Elford:

For any sessions that the student did not attend: Did they contact you in a timely manner to explain their absence and was the reason for their non-attendance acceptable?

Please choose:

N/A

When answering the following questions you may like to think about the student's capability to: follow instructions, communicate (written/verbal), use initiative, solve problems, be creative/innovative, receive and act on feedback. You may also wish to consider the student's subject knowledge, understanding, commitment and professionalism.

What are the student's strengths?

Lauren is reliable, adaptable and hardworking. She shows a willingness to reflect on her own experiences and discuss her understanding of how it has impacted on different members of the family and beyond. She demonstrates an understanding of the dynamics of domestic abuse and coercive control, and the impact on families. Lauren has done relevant research and spent time reading up on suggested topics.

What are the student's weaknesses?

None noted.

What area(s) of professional development would you suggest that the student focuses on in the next 12 months?

We would recommend that Lauren continues to develop her practise through planning suitable sessions to deliver 1:1 work, tailored to a family/child's needs, and other practical applications of her learning, such as holding a case and completing pre and post visit notes on our secure recording system.

Other comments (if printing please continue on a separate sheet if necessary)

Lauren's confidence seems to have increased in her time on placement with us. We have enjoyed her sense of humour and found her to be playful and professional amongst the team and clients. We hope she's found her time with us a rich experience, and we welcome her input as a volunteer, should she wish to continue beyond her placement.

Would you be prepared to offer a placement, at a convenient time, in the future?

Please choose:

YES.

Thank you for offering a placement to a student from Plymouth Marjon University and for taking the time to provide us with valuable feedback. If you would like to discuss anything regarding the students' performance please contact their University Placement Tutor (UPT).
