

Submitting a Modification/Continuing Review (External IRB)

1. Go to the main page for [eIRB+](#) and login.

As of Thursday, May 3, 2018, the Conflicts of Interest (COI) tab is now viewable for all users and projects in eIRB. Information about the conflict of interest process can be found at: <https://www.northwestern.edu> questions regarding conflict of interest to NUCOI@Northwestern.edu.

At the time of continuing review, all actively enrolling studies will be required to conform to the new consent form template. We **strongly recommend** you submit a combination MOD/CR instead of a separate CR reflect the revisions being made, please amend your current consent form document to incorporate the new template changes instead of pasting your current consent form language into the new template docu

Report New Information

7. You will then be routed to be “Modification” page of the submission and there will be 2 questions in which you will need to respond.
 - a. **Question 1:** What is the purpose of this submission? (**Please note the only option will be “modification”**). Once it is selected, the second question will appear.
 - b. **Question 2:** Modification scope in which you will select one or both options. (**Please note by selecting only “Study Team and Research Location Information”, you will not have access to any other parts of the “Site” application**).
 - i. Study team and research location information
 - ii. Other parts of the site
8. Once you have provided a response to all questions, select continue located at the top or bottom of the right side of the page.

Continue >>

9. The next page of the application should be the “**Modification Information**” page, in which there are **3** questions.
- a. **Question 1:** Study enrollment status in which you will need to select from the available options.

1. Study enrollment status:

- No subjects have been enrolled to date
- Subjects are currently enrolled
- Study is permanently closed to enrollment
- All subjects have completed all study-related interventions
- Collection of private identifiable information is complete

- b. **Question 2:** Notification of subjects, this question is only required if the submission includes materials that will need to be provided to current or former participants.

2. Notification of subjects: (check all that apply)

- Current subjects will be notified of these changes
- Former subjects will be notified of these changes

- c. **Question 3:** Provide a brief summary or rationale regarding the submission. (**For example: Request to add Kevin Smith to the study team member list and Newly revised protocol dated 10-04-2018 Version 4**).

3. * Please provide a brief summary and rationale for the modifications:

Request to add Kevin Smith to the study team member list and Newly revised protocol dated 10-04-2018 Version 4

10. Once you have provided a response to all questions, select continue located at the top or bottom of the right side of the page.

11. You will then be redirected to the “Site” application where you will then make the requested modifications. **(For example: When making a change to the “Study Team” member list, you will be taken directly to the “Study Team Member” page and then you will make the requested edits).**

Last	First	Organization
Smith	Alec	Learning Sciences
Smith	Andrew	Shirley Ryan AbilityLab (SRA)
Smith	Angela	Technology and Social Behavior (TSB)
Smith	Ashley	Physical Therapy & Human Movement Sciences
Smith	Bridget	Northwestern University
Smith	Brigid	Obstetrics and Gynecology
Smith	Caitlin	Master of Science in Education
Smith	Carl	American Studies
Smith	Christine	Neurology
Smith	Devyn	Neurology

12. If you are making an update to the “Study Team Member” list and the requested person is not listed, then they are not registered in the system and will need to go to <https://irb.northwestern.edu/eirb> and complete the “New User” steps as listed.
13. Once you have finished making the requested changes, you will be taken to the final page of the “Site” application, in which you will select “Finish” to continue.

Final Page

You have reached the end of the IRB submission form. Read the next steps carefully:

1. Click Finish to exit the form.

14. You will then be redirected to the main page of the modification page.
