

Post Award Management: Tools You Can Use to Help You Monitor Your Award

A **NURAP AT NOON** EVENT

Eugenie Chao

Grants Officer, OSR Chicago

Kathy Mustea

Grant and Contract Financial Administrator
ASRSP Chicago

Please join us as both OSR and ASRSP talk about post-award activities to help you monitor your award throughout the grant period. We will cover how to reconcile a PAS and budget statements, prepare for reports, and keep a grant in good health. We will discuss Cognos reports you can use and provide any advice we can give. Fifteen minutes will be left open for discussion on what other departments are doing so we can learn from one another.
