

# NUIN Teaching Fellowship Application Form

**Name**

**Status in NUIN**

Graduate Student (PhD Candidacy required)

Postdoctoral Fellow

**Years in NUIN**

**Lab/PI**

**PI Permission**

*Please obtain permission from your PI to participate in the NUIN Teaching Fellowship Program. If you are selected, your PI will receive an email to confirm your support. Please provide your PI's email in the space below.*

**Faculty Mentor you are applying to work with:**

*(Note: You may apply to work with more than one Faculty Mentor, but you can only be selected for one position. If you wish to apply to work with more than one Faculty Mentor, please complete a separate application for each position.)*

## **Candidate Background**

*In this section, you will describe your previous teaching experience and research background. You will also explain why you are applying for the NUIN Teaching Fellowship and why you would be a good candidate for the program.*

### **A. Teaching Experience**

*In 1-2 paragraphs, describe your previous teaching experience (e.g. TAs, tutoring, mentorship, etc.) Make sure to provide details about your teaching responsibilities.*

### **B. Research Background**

*In 1-2 paragraphs, describe your research background. Make sure to provide details about your current research as well as any previous work that you consider to be relevant to your application.*

### **C. Fit for the Program**

*In 2-3 paragraphs, please explain:*

*1. Why you are applying for a NUIN Teaching Fellowship and why you are interested in working with the Faculty Mentor you have selected (e.g. What do you hope to learn from this program? How might this opportunity facilitate your professional development?)*

*2. Why you would be a good candidate for the program. Make sure to specifically address why you would be well-suited to work the Faculty Mentor you have indicated.*
