Studies Included in Meta-Analysis by Quillian, Pager, Hexel, Midtbøen. “Meta-analysis of field experiments shows no change in racial discrimination in hiring over time.”

Agan, Amanda, and Sojna Starr. 2016. “Ban the Box, Criminal Records, and Statistical Discrimination: A Field Experiment.” University of Michigan Law and Economics Research Paper Series. Paper 16-012. Social Science Research Network Electronic Paper Collection: HTTP://SSRN.COM/ABSTRACT=2795795 (Note: We only used the New Jersey data for this paper, because we did not include audits with fieldwork completed after December 2015. The New York audits in this paper were completed in 2016.)
