STATEMENT BY ROLAND J. HINZ
MAY 4, 1968

As distressing as the events of these past two days have been,
the entire Northwestern University community is heartened by the
peaceful conclusion of the occupation at 619 Clark Street.

The University Administration took a serious view of the
complaints and demands of the black student community, and
the subsequent negotiations which resulted in the agreement
early this evening, were carried out in an atmosphere of
earnestness and mutual concern.

The black students comported themselves in a serious
and responsive manner throughout this difficult period.
