SUMMARY: In the middle of his over-scheduled 12- and-a-bit-year-old life, Simon Ives dreams of a place where he can just stop and be. Meanwhile, at the farthest point in the universe, The Boy at the Edge of Everything lives by himself, lonely and bored. When Simon is rocketed into space (through an unlikely series of events involving ‘lots and lots of fireworks’), their worlds collide and neither will ever be the same.

ABOUT THE SLOT: Our show takes place Winter Week 7 and we will perform in Shanley! In the spring we have the unique opportunity to tour elementary schools in the Evanston area. The cast will be required to take the Student Organized Seminar class provided in the spring but the designers’ and teams’ work will be done after winter quarter.
