

SOCIAL AND PHYSICAL DISTANCING IN PUBLIC SPACES

Social Distancing is an essential strategy we all must participate in to fight the COVID-19 pandemic.

Maintain at least six feet of distance from others.

Wear a mask.

Maximum elevator occupancy is two people.

If there are two or more people on the elevator, use the stairs or wait until the elevator has fewer people.

Follow signage for spacing and paths of travel.

Where signage doesn't indicate, stay to the right side of hallways and stairs while others are passing.
