

Matthew Conroy '92

Director of Operations, Technology, Finance
& Business Risk
IR+M

As the Director of Operations, Technology, Finance, and Business Risk, Matt is responsible for overseeing each of these functional teams. In addition, Matt serves on IR+M's Management Committee, whose mission is to provide governance over IR+M's strategic direction.

Prior to joining IR+M, Matt held various roles at State Street Global Markets, most recently Managing Director of Fixed Income Sales and Trading. Before that, he held positions in Global Link, State Street's electronic trade execution and confirmation platform, including Head of Global Link Australia and New Zealand, where he established Global Link/FX Connect as a preferred FX trading platform.

Matt has a BS in Business Administration and Business Law from Providence College (1992), and is a CFA Charterholder.
