

Sakai 19 Updates

Assignments:

- Email reminder to students 24 hours from due date to students who have not submitted. This is checked by default for all new assignments, but can be unchecked by instructors.

Gradebook:

- Student-viewable Gradebook statistics are available
- Bulk edit of Gradebook items (Release to students and include in the course grade)

Roster Tool:

- Card Layout is now available, but only List View currently shows graduating year and majors

Rubrics:

- Integrated with Assignments, Gradebook, Tests & Quizzes, and Forums

Tests & Quizzes:

- “Working copy” has been changed to “Draft”. **Do not delete** “Drafts” of published assessments and if you plan to use them in future courses. Think of the drafts as templates.
- Filter by all, draft, published, active, inactive
- Groups: Filter by group and it’s easier to select groups for assigning
