### Parental Leave Application Process

1. All eligible staff must complete the Request for Parental Leave Form ([Request for Parental Leave](#)).
2. Completed request forms must be returned to the office of human resources no later than 10 days prior to the leave begin date, with the exception of unforeseen emergency circumstances.

### Parental Leave Usage

1. The benefit is designed to serve as an offset to the Temporary Disability Insurance (TDI) and Temporary Caregiver Insurance (TCI) benefits available through the state of Rhode Island.
2. Income received under the parental leave benefit is subject to all applicable taxes and benefit premium deductions.
3. At the end of the approved parental leave period, accrued sick leave must be used as required under the College’s Family Medical Leave Policy (policy #40.001). Should all paid sick leave be exhausted, accrued vacation time may be used.

### Responsibility

The associate vice president for human resources, or his/her designee, is responsible for overall administration of this policy.
