Total credits		60			60	21/42 credits toward SCE core

NOTES:

1. CCRI students who complete the Liberal Arts associate's degree with at least 60 credits and a minimum GPA of 2.0 will be guaranteed admission into the Providence College SCE degree programs listed above. Students must earn a grade of "C" or better to earn transfer credit for a course.
2. Providence College will waive the \$55 application fee for students who meet the above requirements.
3. Students must fulfill the Providence College SCE's core curriculum requirements; complete the residency requirement of a minimum of 45 credits in Providence College SCE; and earn at least 50% of their major credits with Providence College SCE coursework.
4. Most students transferring in with the Associate's in Liberal Arts will need approximately 60 credits to complete the bachelor's degree.

Providence College SCE Core Curriculum: required for all bachelor degree programs
(for CCRI A.A. Liberal Arts students who transfer into PC SCE's B.A. in Professional Studies)
