

Connect • Promote • Enrich

Mission Statement

The Providence College School of Continuing Education (PC SCE) Student & Alumni Organization is an energetic and dedicated group of current students and alumni within the PC community.

Its mission is to promote, encourage, and support continuing education; to connect students and alumni through College activities and community service; to explore avenues for networking and career development with the alumni business community; and to cultivate lifelong meaningful relationships between students, alumni, and the Providence College community to enrich our current and future SCE academic experiences.

Goals of the Student & Alumni Organization

Connect

- Create opportunities for networking for all members of the PC SCE community
- Foster relationships between current students and alumni
- Provide continued engagement for alumni with their Alma Mater

Promote

- Information sharing – periodic speakers to promote topics of interest, alumni businesses, etc.
- Foster career based and career development discussions
- Create a support system to promote continuing education – website, newsletters, and open participation that captures information about current SCE experience

Enrich

- Share information with goal of elevating and expanding individuals experience
- Leverage alumni's knowledge to support the SCE experience
- Create and facilitate interactions that produce meaningful contributions to organization members
