# Undergraduate Research Small Grants Program 2016-2017

## Individual Application

Please complete this form by typing responses in the fields below. Print, sign and obtain faculty mentor's signature endorsing this application.  
 Submit application package to the Office of Academic Affairs, Harkins 208.

### I. Student Information

Student ID :	Class Year:
Name:	Major(s):
E-Mail:	

I have received funding from the PC-URC in the past  for this project and/or  for another project.

### II. Mentor Information

Mentor Name:	Department/Program:
E-Mail:	Phone:

### III. Project Information

**Title :**

**Project Summary (under 150 words): In non-technical terms, provide a brief summary of the project.**

Is this project associated with a credit-bearing class?  yes  no If yes, what is course number?

**Does this project involve human subjects research?**  yes  no

**Does this project involve the use of animals?**  yes  no

\*If your project involves research involving humans or animals, seek approval from the appropriate committee. Approval is not needed at the time of application, but approval is required PRIOR to the start of your project.

For human subjects research Institutional Review Board (IRB) review is required. [See IRB website.](#)

For research involving the use of animals Institutional Animal Care and Use Committee (IACUC) approval is required.

**Does this project involve international travel?**  yes  no

If yes, a representative from the Center for International Studies must sign here to indicate this travel is in accordance with College policy.

---

**Significance (under 150 words): In non-technical terms, why is this work important?**

**Project Description: Please describe your research question(s) and describe your method/research plan. Description should be written for an educated but non-technical audience. DO NOT EXCEED SPACE PROVIDED. References are not required in application, but should be made available upon request.**

**Unique Contribution: Projects may vary from an idea that the student would like to pursue, to a joint student-faculty project, to a project that is part of the faculty member's ongoing research program. Concisely describe your unique contribution and the skills you bring to bear on the work. Do not exceed space provided.**

**Budget and Budget Justification:** List your requested budget items, prices, and sufficient details of the calculations used to arrive at your request. Approved travel will be reimbursed at the standard [GSA per diem rates](#). Round to the nearest dollar and be sure to include all shipping costs. Include a justification for each item: Why is each resource required?

#### IV. Certifications

**Student Certification:**

- I certify that I am the primary author of this application and that the information provided is true.
- I agree to present my research at a campus-wide undergraduate research forum.
- I agree to submit a report detailing the progress of this research project at the end of the semester.
- I will acknowledge Providence College Undergraduate Research Committee support in any resulting presentation or publication.
- I authorize Providence College to use material contained within this application and/or the final report for promotional purposes in print and/or on the web.

Student Signature

**Faculty Mentor Certification:**

**Are there any other sources of funding for this work? And if so, how will this funding complement rather than duplicate other sources of support.**

- I am a full-time Providence College faculty member and agree to serve as faculty mentor for this project.
- I have reviewed the application and believe the project is feasible as described.
- I agree to be contacted and provide further recommendation by telephone or letter, upon request.
