The Women’s Bar Foundation’s Clemency Project

The Clemency Pro Bono Project is an expansion of the Women’s Bar Foundation’s Women’s Prison and Re-Entry Project. The Clemency Project was created because clemency, whether in the form of a pardon after release from incarceration or commutation of a sentence, has become extremely rare in Massachusetts. The project matches elderly women who have served more than ten years of their sentence with attorneys who help them complete their Petition for Commutation. Visit Women's Bar Association | (wbawbf.org) for more information and to get involved.
