2. An athlete who quits after being recognized as a team member or is released from a team for disciplinary reasons may not join another team during that season.
3. Athletes will be issued equipment/uniforms. Each athlete will be responsible for their equipment/uniform and it will be assessed for any loss or damages at the end of the season. Equipment/uniforms issued to the athlete will be worn or used only when participating in interscholastic contests. Failure to return all equipment/uniforms promptly (2 weeks after last competition date) at the end of the season will be charged for reimbursement to the Athletic Department.
4. Athletes must commit to be available for travel on the required dates of ALL scheduled games, including local and international tournaments. Additionally, it is expected athletes attend all scheduled practices.

Additionally, If UAS purchases airline tickets or/and travel visas on behalf of an athlete, the athlete is responsible for all associated costs regardless of whether travel took place.
