- Each class is having their Winter Party on Thursday Dec 13th. Parents are invited!

Reading Unit 2 - Reading Non-Fiction Learning About the World

We are learning to read aloud like an expert:

- Pay attention to how the different parts of a NF should sound so we can read with feeling
- Explain and think about the key words
- Wrap up the unit

Writing Unit 2 - Opinion Writing

- We will wrap up the unit. Students will publish their best piece.

Math Unit 4

We are learning to:

- Measure with non-standard units
- Understand the difference between standard foot (12 inches) and personal foot (their shoe size)
- Measure using an inch ruler
- Use a tape measure
- Wrap up the unit

We will start Unit 5 when we come back in January.

Unit of Inquiry 3 - Sharing the Planet - Plants and Animals (Week 6 of 6)

Central Idea: Plants and animals have characteristics that help meet their needs.

- The students will be working on their summative project (creating a super organism). Students will be sharing their work on Wednesday with their peers.
