

# Plan for the week - Jan 6-10

## Reminders:

### Welcome back and Happy New Year!

- ASA Term 2 registration is open. Deadline to sign-up is this Thursday.

## Reading Unit 3 - Readers Have Big Jobs to Do (Fluency, Phonics, and Comprehension)

We are learning to:

- Stop at the first sign of trouble and then try a strategy to solve the problem
- Use multiple strategies to figure out hard parts
- Do the TRIPLE CHECK = Does it make sense? Does it look right? Does it sound right?
- Reflect on the strategies we use and make a plan to be the best readers we can be

## Writing Unit 3 - Non-fiction Writing (writing to teach others all about a topic)

We are learning to:

- Use a teaching voice in our writing
- Plan how our teaching books will go before we start writing
  - We do this by saying the information across our fingers and then making a quick sketch on each page

## Math Unit 5

We are learning to:

- Represent numbers using base ten blocks (cubes and longs)
- Place value digit patterns
- Compare numbers using relation symbols  $<$  and  $>$  (greater than, less than)
- Explore the concepts of area and weight

## Moral Education

We are learning to:

- Describe qualities of a good friend
- Understand that friends can have different backgrounds, opinions, and interests

## Unit of Inquiry 4 - Production of Goods

**Central Idea: The production of goods often involves resources, people, and processes.**

Unit of Inquiry 4 will run for 7 weeks starting on Jan 13th and end of Feb 28th.
