

This week in KG2

January 6, 2019 to
January 10, 2019

Happy New Year!

Ask your child: What is the difference between a 2D shape and a 3D shape? Can you name some 3D shapes?

**In Readers
Workshop
Students
Will...**

- Begin to work with sound power to read words they don't know.
- Continue to work with snap word power, looking for familiar words in our books.

**In Math
students
Will...**

- Review 2D shapes. Introduce 3D shapes
- tell the attributes of 3D shapes (cube, sphere, cone, pyramid, cylinder, rectangular prism)

**In Writers
Workshop
students
will...**

- Choose your own pattern to write with.
- Write a title for your book that tells what your book is about.
- Write complete sentences with correct letter formation.

**In our Unit
of Inquiry
PYP...**

- What are Community Helpers?
- Why are they important to us?
- What job would you like to do?

Thank you!
