**Ask your child:** What super powers can you use to help you read? What did you write about in Writer's Workshop?

**In Readers Workshop Students Will...**

- focus on using their finger to read
- make sure that the number of words they say matches the number of words they point to

**In Math students Will...**

- listen for a number and count the objects
- look at a number and count that amount of objects
- count objects in various arrays
- compare amounts

**In Writers Workshop students will...**

- Write stories to share with their KG2 friends
- Plan out their book before writing
- Add more detail to their writing and drawing
- Be sure to label their work

**In our Unit of Inquiry PYP...**

## Using our Imagination

- Through books, art, play and science the children will discover many ways to use their imagination.

**Thank you!**
