

This week in KG2

November 19, 2018
to
November 22, 2018

Ask your child: Can you tell me about community helpers in your school? What pattern did you write with this week?

In Readers Workshop Students Will...

- Hunt for familiar words that we can see many times in our books.
- learn how to use “Partner Power” - one partner reads while the other one points.

In Math students Will...

- count and compare objects
- explain their methods for counting and comparing

In Writers Workshop students will...

- Write using a familiar pattern to practice high frequency words. For example “I like flowers. I like rainbows. I like dad.” or “It is bright. It is yellow. It is hot.”

In our Unit of Inquiry PYP...

Introduction to our new unit: Community

- Think about jobs we see in our community
- Discover more about our school community

Thank you!
