- begin to work with snap word (sight word) power to read words they know in books.
- learn how picture power can help us figure out words we may not know.

**In Math
students
Will...**

- describe shapes in our environments
- tell the attributes of 2d shapes (triangles, squares, rectangles, circles, ovals, rhombus, hexagon)

**In Writers
Workshop
students
will...**

- Write using a familiar pattern to practice sight words.
- Come up with an idea, and create a pattern book.
- Write complete sentences with correct formation.

**In our Unit
of Inquiry
PYP...**

- What would happen if someone did not do their job?

Thank you!
