

To Families of Students Attending Camp,

It's time to get ready for camp! We're excited about camp this year, and ready to have a great learning experience.

Here is some important information:

- Mr. Yates, Ms. Schricker, and Ms. Sambola will attend camp with the grade 5 students.
- Any medication should be sent in on Tuesday in a ziploc bag with the student's name and dosage information on the medication and on the bag. Students should give this bag to Ms. Sambola when they arrive at school on Tuesday.
- Mr. Jones will be on call if there is an emergency. Please contact him if you have concerns from home. If there is a need to contact you from camp, this will be done by a teacher at camp or by Mr. Jones. Mr. Jones's mobile number is 050 309 2873.
- Please remember to send a blanket and/or a sweatshirt along with the sleeping bag so students are warm at night time.
- Students will leave from school at 8:00 am on Tuesday, February 13, and return to school before dismissal on Thursday, February 15.
- The [kit list](#) of what you should pack is on the back of this letter.
- Room assignments have been shared with your student. There was much intentionality in grouping students with their room assignments. Students had input on who they would share a room with, and room assignments cannot be changed at this time.
- Teachers will share pictures from camp via Google Drive with this link: <https://goo.gl/yCW854>.

If you have any questions, please send them to Mr. Jones at djones@uasdubai.ae.

Thank you,

Grade 5 Team
