

ELIZABETH M. STEPHENS & ANNIE M. SPRINKLE'S

ECOSEX MANIFESTO & ECOSEX SYMPOSIUM II

PRODUCED BY FEMINA POTENS GALLERY IN COLLABORATION
WITH THE CENTER FOR SEX & CULTURE

JUNE 17-19, 2011

1349 MISSION STREET, SAN FRANCISCO, CA.

What is an ecosexual? Why are skinny-dipping, mysophilia and arboreal frottage so pleasurable? Where is the e-spot? Can the budding ecosexual movement help save the world? These are some of the questions that will be discussed at our Ecosex Symposium II; a public forum where art meets theory meets practice meets activism.
