BioEngage Industry Seminar: Abbott
Thursday April 7, 2022
10:30AM - 11:30AM
Foege N130
** Coffee and Donuts are provided!**

Abbott is a global healthcare leader that helps people live more fully at all stages of life. Their 109,000 employees serve people in more than 160 countries. The company was founded by Chicago physician Wallace Calvin Abbott in 1888 to formulate known drugs; today, their portfolio of life-changing technologies spans the spectrum of healthcare, with leading businesses and products in diagnostics, medical devices, nutritionals and branded generic medicines. **At this seminar, a representative will be speaking about specific opportunities as a clinical specialist in the cardiac and electrophysiology space at Abbott.**
