Driving Directions to the Virginia Merrill Bloedel Hearing Research Center

University of Washington
Virginia Merrill Bloedel Hearing Research Center
Center on Human Development and Disability (CHDD) Clinic Building
1701 NE Columbia Rd
1st floor, Room CD176
Seattle, WA 98195
(206) 616-6655

We are located directly behind the University of Washington Medical Center. Our location is a bit difficult to find, therefore, please do not hesitate to contact our office for assistance.

Driving Directions

From North (Everett) or South (Tacoma)
1. On I-5 southbound or northbound, take exit #168B (Bellevue/Kirkland) to WA-520
2. Drive about one mile on WA-520. Take the first exit off WA-520 for Montlake Blvd, turn left onto Montlake and continue north. See “From Montlake Blvd” below.

From East (Bellevue)
1. Take I-405 North.
2. Take WA-520 West toward Seattle.
3. Take the Montlake Blvd exit towards the University of Washington. See “From Montlake Blvd” below.

From Montlake Blvd:
1. Turn left at NE Pacific St.
2. Turn left at 15th Ave NE, which then curves to the left to become Columbia Rd.

Parking
- Upon arrival at Gate House #6, purchase a parking permit for the estimated amount of hours for your visit using cash or credit card. (It is better to over-estimate the amount of time you will be here.)
- The S1 parking garage will be immediately to your right as you leave the gatehouse. Park in the lower level and leave your parking permit face up on your vehicle dashboard.

From the east exit of the S1 garage (opposite the way you entered), you will see the CHDD Clinic building - a 4-story brick building with a wraparound balcony on the top floor. Enter through the lower level entrance and follow the signs (left, right, right) to the front entry of the Virginia Merrill Bloedel Research Center.

Car Service
1. Ask your driver to stop at Gate House #6 and request directions to the CHDD Clinic building – this will be a 4-story brick building to the right with a wraparound balcony on the top floor.
2. Just before the building, the driver should turn right on NE Ferry Rd and use the traffic circle to let you out at the lower entrance of the CHDD Clinic building.
