e could disagree. In some cases, you might advocate doing ction or stop doing something that causes more harm than	Release Conditions

DUE DATE VS. END DATE

Assigning a due date to an assignment still allows students to submit after the date passes, setting the end date closes student access to the submission folder.

Create a Release Condition Release this item when the following condition is met: Condition Type Visited content topic ~ Condition Details Topic Materials for Week 1 ~	×	Availability Dates & Conditions Start Date Image: Conditions McDrrrrr Release Conditions Users are not able to access or view the assignment unless they meet the release conditions. Add Release Condition
Create Cancel	k	Special Access Special Access allows assignments to be available to only a select group of users or individualized due dates for certain users. Manage Special Access

RELEASE CONDITIONS

Release conditions can allow students to only move forward in a course by completing a task. This allows instructors to hide entire modules or assessments until students have completed a specific task.
