PHS 398 OTHER SUPPORT

Other Support includes all resources (foreign or domestic) made available to a researcher in support of and/or related to all of their research endeavors, regardless of whether or not they have monetary value and regardless of whether they are based at the institution the researcher identifies for the current grant. Other Support includes consulting, when the individual will be conducting research as part of the consulting activities.

Other Support does not include training awards, prizes, gifts, or start-up support provided by the applicant organization (Harvard).

Name:

Commons ID:

For subprojects, recipients should provide the project number, PD/PI, and source for the overall project. Provide all other information for the subproject only.

PROJECTS/PROPOSALS

ACTIVE

Project Number (Contact Principal Investigator)

Source

Title of Project (*or Subproject*)

The major goals of this project are...

Dates of Approved Project
Total Award Amount

For active projects, provide the total award costs for the period of performance (segment), including indirect costs.

Person Months

(Calendar/Academic/Summer)

For active projects, provide the level of actual effort in person months (even if unsalaried) for the current budget period. Person months should be classified as calendar, academic, and/or summer.

PENDING

Project Number (Contact Principal Investigator)

Source

Title of Project (*or Subproject*)

The major goals of this project are...

Dates of Proposed Project
Total Award Amount

For pending projects, provide the proposed total costs for the period of performance, including indirect costs.

Person Months

(Calendar/Academic/Summer)

For pending projects, indicate the level of effort in person months (even if unsalaried) as proposed for the initial budget period. Person months should be classified as calendar, academic, and/or summer.

IN-KIND CONTRIBUTIONS

Summary of In-Kind Contribution:

Status of Support (Active/Pending):

Name of Individual, if applicable:

Primary Place of Performance:

Project/Proposal Start and End Date (MM/YYYY), if applicable:

Person Months per budget period, if applicable:

Estimated Dollar Value of In-Kind Information:

In-Kind contributions include, but are not limited to, office/laboratory space, equipment, supplies, trainees or employees supported by an outside source (including collaborators), and provision of high-value materials that are not freely available (e.g., biologics, chemical, model systems, technology, etc.).

Reasonable estimates of effort (person months) or dollar value must be provided; both are not required.

OTHER RESOURCES/SUPPORT

Summary of activities:

Source of support:

Start and end date, if applicable:

Estimated total value:

List any outside employment or other support/resources that are not projects or in-kind contributions. Include any financial resources in support of your research endeavors. Some examples include: consulting, when the consulting activities include research; employment at an outside institution (e.g., Broad, HHMI Investigators); start-up funds from an institution other than Harvard University; private equity financing for NIH SBIR/STTR program or similar (e.g., Mass Life Sciences); travel/living expense reimbursements.

OVERLAP

Summarize any potential overlap with the active projects, activities, positions, affiliations, and resources and this application in terms of the science, budget, or committed effort. Then state how it will be resolved (e.g., "if the current proposal is awarded, effort will be reduced by 2 PM on NSF DCB950000 and by 1.8 PM on R01GM468034"). Effort greater than 12 PMs requires an overlap statement and intended resolution.
